WHO WE ARE:

- Since **2005**, **Lawton Commercial Services** has been providing unparalleled Commercial Plumbing, HVAC-R and Electrical services, while maintaining the highest trade standards, ensuring projects are completed to specification and on-time.
- We offer a full-range of Commercial Plumbing services, including preventive and maintenance contract options.
- We ensure all our clients' HVAC and Refrigeration requirements are taken into context of their unique needs. Proper attention is paid to building ventilation, including: air pressure, air quality and temperature. We ensure all aspects are at the optimal levels for comfort and safety.
- We handle all of the Electrical needs of our client's. From code upgrades and remodels, to basic troubleshooting and repair, we cover all service cases.
- We work within the scope of our clients' normal operating hours to efficiently minimize downtime, while maximizing productivity.
- Our team of seasoned technicians are all trained, insured, background checked and drug tested. Our employees are held to only the highest standards in the Trades.
- Our dedicated on-call team is always ready to attend to any after-hours breakdowns. This allows us to extend 24-hour service to all of our clients, assuring minimal operational downtime.
